Class 5 Homework

1. Write a program that prints a giant letter A like the one below or you can design whatever the A letter as you like except you can't just print 'A'..

```
    *
   * *
  *   *
 * * * *
*       *
*         *
```

2. It seems the house the Bunny is adventuring in does not have a bathroom and also does not have a bedroom. Can you add to the house one or two bathroom(s) and if you like, add a bedroom so Johnny can hide his basket there?
